

## MEMORANDUM OF UNDERSTANDING

**Alabama Arise Action and \_\_\_\_\_ enter into this agreement in order to speak with a strong, united voice to the Alabama Legislature in support of fairer public policies toward low-income Alabamians. We agree to work together for a legislative agenda established by a vote of the members, as modified from time to time by a vote of the membership or the Board of Directors.**

**As a member organization, we understand that we also automatically become members of Alabama Arise and we commit to work through Arise to understand poverty in Alabama and to help organize citizens in support of fairer public policies.**

**We agree to the following mutual responsibilities and obligations:**

### **Responsibilities of Member Organizations**

- To participate fully in the selection of legislative priorities and Board members at the Annual Meeting. Each year, members select up to seven legislative priorities by majority vote, striving for consensus support of priorities and staying sensitive to the values and deeply held beliefs of individual organizations. Board members are also elected to one-year terms at the Annual Meeting.
- To contribute financially to support the hiring of staff, office and outreach expenses, and expenses of communication with members. Because Alabama Arise Action depends almost exclusively on member gifts for financial support, each member group is asked to contribute at least \$500 per year. The minimum annual membership contribution is \$100, unless the Board of Directors approves a waiver.
- To commit organizational resources, especially human resources, to the advocacy effort. This includes distributing action alerts and information on legislative activity to the organization's constituency and urging them to contact their elected officials as needed.
- To name a Contact Person to serve as voting representative at periodic meetings of Arise, which will occur at least two times per year. For the Annual Meeting, up to 6 voting representatives may attend and cast the group's votes for the coming year's legislative priorities.
- To use the name of Arise only for those issues identified as priorities by the membership of Arise. This does not, however, limit the right of any member organization to lobby independently on other issues or to inform other members of legislative developments on issues not endorsed by Alabama Arise Action.

### **Responsibilities of the Board of Directors**

*At least half of the Board's members must either be low-income members or be affiliated with a group that works closely with low-income people. The Board's responsibilities are:*

- To devise policy and broad strategy for outreach, education, organizing and advocacy.

- To supervise the Executive Director.
- To monitor the financial affairs of the organization.
- To make decisions about legislative strategy when time factors preclude a meeting or polling of the entire membership. The Board's Legislative Committee can make such decisions between Board meetings.

**Responsibilities of the Staff**

- To analyze policies that cause poverty and injustice or that could help families make ends meet.
- To recruit, organize and equip Arise members for advocacy.
- To represent Arise on priority positions and issues chosen by Arise members, both at the Alabama Legislature and to the Administration.

**THIS ORGANIZATION HAS DECIDED TO BECOME A MEMBER OF ALABAMA ARISE ACTION AND ALABAMA ARISE. WE UNDERSTAND AND ACCEPT THE ROLES AND MUTUAL RESPONSIBILITIES OUTLINED IN THIS MEMORANDUM.**
