

MEMBERSHIP AGREEMENT

revised September 2024

Alabama Arise Action and _____ enter into this agreement in order to speak with a strong, united voice in support of fairer public policies toward Alabamians with low incomes. We agree to work together for a legislative agenda that is voted on by the members, which can be modified from time to time by a vote of the membership or the Board of Directors.

As a member organization, we understand that we also automatically become members of Alabama Arise and we commit to work through Arise to understand poverty in Alabama and to help organize residents in support of fairer public policies.

Alabama Arise Action is a statewide, member-led organization advancing public policies to improve the lives of Alabamians who are marginalized by poverty. Our membership includes faith-based, community, nonprofit and civic groups, grassroots leaders and individuals from across Alabama. While Alabama Arise Action is a 501(c)(4) advocacy organization, Alabama Arise is our 501(c)(3) sister organization funding our public policy, education and organizing work. Both Arise and Arise Action are nonprofit, nonpartisan organizations, and our work is funded and driven by members like you.

We agree to share the following responsibilities and obligations, and understand these are automatically renewed with the annual payment of membership dues:

Responsibilities of Member Organizations

- To participate fully in the selection of Alabama Arise Action and Alabama Arise's legislative priorities and Board members at our annual membership meetings. Member groups may nominate up to 6 voting delegates to participate in annual meeting.
- To contribute financially by paying membership dues to support the mission and work of Arise. Member groups are asked to contribute at least \$500 per year. The minimum annual membership contribution is \$100, unless the Board of Directors approves a waiver.
- To commit organizational resources, especially human resources, to the advocacy effort. This includes distributing action alerts and information on legislative activity to the organization's stakeholders and urging them to contact their elected officials as needed.
- To name a primary contact person to serve as the contact between Arise and your organization for advocacy efforts and membership dues renewal.
- To keep the contact information for your primary contact person up to date on at least an annual basis.
- To use the name of Arise only for those issues identified as priorities by the membership of Arise. This does not, however, limit the right of any member organization to lobby independently on other issues or to inform other members of legislative developments on issues not endorsed by Alabama Arise Action and Alabama Arise.

Responsibilities of Alabama Arise Action and Alabama Arise

- To engage your organization in our three areas of work: statewide organizing, policy analysis, and citizen advocacy.
